... was continuously evident throughout our campus in many aspects this year. A new and attractive school was not the only construction which took place. There was a government; sports records; scholastic achievement; and spirit to be BUILT during this first year at Hill-Hi.

With diligence and a determination unequalled, school leaders, loyal students, athletes, faculty, and staff all contributed to the BUILDING of a school which we are proud to represent.

Without the undying support of the  
students of Hilltop, our first year would  
not have been the enormous success  
that it was. A constitution was drawn,  
traditions were instituted, and a repu-  
tation established that will serve to  
guide others in the future. Thanks to  
the advocacy of spirited Lancers, these  
meaningful and necessary foundations  
were BUILT.

For these reasons and innumerable  
others, we dedicate the first IDYLL to  
YOU, the ASSOCIATED STUDENT BODY  
of HILLTOP High School.

# ADMINISTRATION

Ferry,  
It has been nice having you in Advisory again this  
year. I guess - I know and you should I'm  
not mad and in bad spill but I'm thinking  
about bookkeeping. Good luck to you in the future  
and may you always be as nice and friendly  
as you are now. Good luck to you in making  
a second Disneyland(?), also in your drawing -  
in which you are a good artist(?). Be good  
and have a wonderful summer and I will  
see you again next year in Advisory. I hope.  
Be good.

# PRINCIPAL

## MR. FRED M. MAHONEY

### PRINCIPAL'S MESSAGE

This has been a year of much planning, organizing, and doing. It has been a year of much hard work and many satisfactions.

You students entered this uncompleted school last fall with a real enthusiasm to take part in the planning and formulating of a complete school. Complete in the sense that there is a firm foundation of many and varied student activities, a wholesome regard for good scholarship, and a pride in good citizenship at all times. There has even been a budding of many Hilltop High School traditions.

To you of the class of 1960, who have so wholeheartedly given of your energies, your talents, and your enthusiasms, we wish the best of everything as you soon become our first alumni. We will welcome you back next fall when we have our first true "homecoming."

To the sophomores and juniors, we charge you with the responsibility of continuing to BUILD in the fine spirit you have shown this year and to continue to be true Lancers in all ways. You can afford to do no less.

Moments like this were few for Mr. Mahoney!

## Girls' Vice Principal

### MRS. DOROTHY BURNS

As counselor and advisor to the girls of Hilltop, Mrs. Burns' job was a time consuming one, but with a friendly smile and understanding attitude, she was always willing to assist those who consulted her.

Mrs. Burns was also Girls' League advisor, offering many helpful ideas in the planning of a most successful Girls' League Formal.

Holding the unrecognized office of Regent of Doughnut Sales, she displayed her eagerness to make our first year at HHS an outstanding one.

## Boys' Vice Principal

### MR. ROBERT GEYER

Although disciplining the boys was a major part of Mr. Geyer's counseling duties, it was not the only one. Organizing the teachers' duties before and after school on the parking lot, during lunch, and at sports activities was his responsibility. Functions were kept operating smoothly through his time and planning.

Of course disciplinary actions were necessary at times and the boys were fortunate in having his guidance. He gained respect and admiration from everyone while fulfilling the job of boys' vice principal and succeeded in BUILDING superior conduct at our school.

## DISTRICT ADMINISTRATION

### Joseph Rindone Superintendent

With the construction of Hilltop High School, Hilltop Junior High, and additions to several others, the vast building program of Sweetwater District proceeded on its way. An estimated \$9,500,000 was appropriated for the future construction of Castle Park High School and two new junior high schools.

During the rapidly expanding growth of our district, the excellent leadership of our District Superintendent has been appreciated by faculty, students, and staff alike.

### Sweetwater District Board of Trustees

Under the direction of President Dr. Morris Hayes, the Board of Trustees organized the immense construction program undertaken.

Members are, from left to right: Dr. Bernard C. Schemmer, Edgar O. Rogers, Harold C. Foster, John W. Gardner, Jr., Dr. Morris Hayes, president, Joseph Rindone, Jr., and Eunice Harris, clerk.

## SCHOOL STAFF

### SECRETARIES

These ladies performed their jobs with efficiency and thoroughness. They are from left to right: Mrs. Matweecha, Mrs. Morrison, Miss Woodward, Mrs. Hoffman, Mrs. Brizendine.

### CAFETERIA WORKERS

Preparing lunches for hungry Lancers was expertly handled by these staffers who are from left to right: Lorraine Jennings, Sophia Majchrzak, Betty Valentine, Alice McCann, Lorraine Stell, Jeanne Allen, Virginia Hartug.

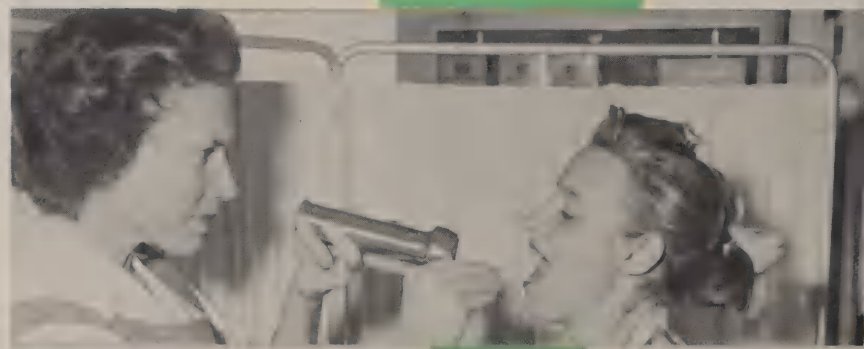

### BUS DRIVERS

Through crowded, noisy situations, these men managed to keep smiling faces and deliver the students on time.

### NURSE

"Aches and pains" which appeared out of nowhere most always disappeared with the aid of our capable nurse, Mrs. Petruska.

### CUSTODIANS

Keeping the Hilltop campus clean and attractive was only one of the various jobs these men handled so well. Left to right they are Mr. Garnett, Mr. Strickland, Mr. Robida, Mr. Arney, Mr. Inman, Mr. Krall.

## STUDENT GOVERNMENT

"Wherever there is a gathering of men, there ought to be, in a special place, a public expositor of the great thinkers."—HUGO

## A.S.B. VICE PRESIDENT

*Jim Rheim*

The office of vice president is a demanding one, contrary to what some might think. Holding this position, Jim Rheim did an excellent job. Head of the Inter-Club Council, and presiding officer in the absence of our president, were two of his main duties done so well.

Jim spent many pre-school hours helping to organize our constitution and getting Hilltop off to a successful start.

## A.S.B. SECRETARY

*Sue Herney*

ASB secretary, Sue Herney, was kept exceedingly busy in her role. Among the requirements of her office were taking care of correspondence with other schools, jotting minutes of the Senate meetings, and distributing them for the benefit of the student body.

Sue's fine leadership qualities were displayed as she performed her duties with the skill and speed necessary.

## A.S.B. PRESIDENT

ALAN CAMPBELL

For presiding over the bi-monthly Senate meetings, assemblies, and various other school functions, students could not have selected a more capable leader than Alan.

He approached his duties with an energetic and eager attitude, accomplishing them, regardless of obstacles placed in his path. A superb example of Hilltop students, Alan's scholastic abilities paralleled those of leadership. Not only did he excel with gavel in hand, but performed as well with a golf club.

The A.S.B. extends a sincere thank you, Alan, for your many contributions in BUILDING a name for H.H.S. that will continue to be respected.

When 2:30 arrived, it was not always time for Alan, Sue, and Jim to call it a day.

Mr. Ross

Along with the newly organized clubs at HHS came the constitutions which were their foundations. Approving these numerous constitutions was a task efficiently executed by the Senate. Twenty-three capable representatives, elected by the students, contributed time and thought in ironing out the difficulties that confronted our government. Their assistance enabled Lancers to BUILD a well-regulated form of government.

Ambassadors were included in the Senate as representatives of their respective classes and publications.

Mr. Ross offered valuable and much appreciated guidance at the meetings and with his assistance things ran smoothly.

#### QUEEN KAY

As Queen Kay took her place on the throne, the crowd gave their accepting applause. At Hilltop High she has been known for her lively cheers and overwhelming enthusiasm for pep. Being Senator was one of her student body jobs during the second semester.

Another highlight of her high school days included the honor as Idyll Queen of 1960.

# FOOTBALL PAGEANT

The crowds waited in anticipation as the six lovelies were driven around the field. As they were escorted down the red carpet a hush fell over the stands.

Our student body president, Alan Campbell, then read the name of the lucky girl who was to be the queen of Hilltop's first Football Pageant. Kay Cotner had been chosen queen of the Lancers' first homecoming game, an unusual thing for a school without an alumnae!

Through the efforts of David Allen, Larry Davis, the Pep Club, and many others our Football Pageant of 1959 will live on in our memories as one of the finest efforts of our first year.

Kay Cotner looked every bit a queen as she took her place on the royal float. Even our Sweetwater opponents cheered as she waved to the crowds in the stands.

This was the entire court, the picture being taken before the queen's name was announced.

Shown in the faces of the escorts is the one big question, "Which girl will it be?" Augie Silvera, far left, escorted Queen Kay.

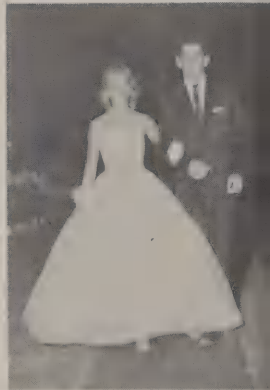

# HER MAJESTY'S ATTENDANTS

*Princess Pam*

One of the girls gracing the festivities was pretty Pam Austin. Her white floor-length formal added to her loveliness. She was escorted by David Allen, Regent of Student Activities.

*Princess Lynne*

Her green formal with sequined bodice sparkled as Lynne Boyer was crowned a princess of this year's Football Pageant. George Moss escorted Lynne during the activities.

### *Princess Sherry*

In contrast to her delightful red hair Sherry Burkhart wore a pale lavender formal for the pageant. Sherry's escort for the evening was Chan Crangle, Regent of Service.

### *Princess Susan*

Taking time off from her jobs as ASB secretary and Lance Editor, lovely Susan Herney added her charm to the affair in a floor-length gown of white. Mike Powell, Senior Class President, escorted Sue.

### *Princess Jacquelyn*

Petite Jackie Lokey was crowned princess of our first Football Pageant by Larry Davis, Regent of Pep. Jackie chose a white ball gown for the occasion.

Organization of our branch of the California Scholarship Federation began soon after the start of school last fall. With Palmer Chase as president, the group went on an excursion to North Island Naval Air Station. They also participated in a conference at Redlands which brought to a close a very successful C.S.F. year.

This state organization has been established for many years and Hill-top with its industrious students were anxious to fulfill its high standards. Throughout the year they strived to achieve high standings. Their results were highly commendable.

Formation of an annual staff, along with other new organizations, is one of the first considerations at a new school. Capturing and preserving, in picture and print, all of the exciting events that develop on the new campus was the challenge given this year's annual staff.

The first task was, quite naturally, the decision concerning a name for Hilltop's annual. After much deliberation between faculty and students "IDYLL" was chosen.

Many problems common to a new school, plus all the usual perplexing questions an annual staff is confronted with, were met and solved during the year.

Many facets of school life were recorded by the Lance, Hilltop's school paper. This first year of publication was highlighted by the choice of the name, Lance, made by popular vote of the student body, the staff promotions, and the use of characteristic "green" newsprint paper.

Lance staff members profited from their knowledge of the importance of complete news coverage, reader interest, and working with the community through a widespread and effective advertising program.

In addition to printing the paper, the Lance staff was responsible for football and basketball programs, and co-sponsored the variety show.

Hilltop was well represented at a Publications Pow Wow at State College February 4, and at Journalism Day on April 28.

Recollection of the special issues, such as Homecoming, Christmas, April Fool and the Senior edition, made each new issue of the Lance an eagerly awaited publication.

### CONCESSIONS

This group was faced with the task of selling food and drinks to the crowds at each home football game. Under the leadership of Bonnie they did a fine job.

# PENNON

Before our school buildings were completed it was evident that we would need a service club. Many jobs have been performed by the members of the Lance and Pennon this year.

Beginning with football season, these people served in various capacities. They handled the selling and collection of tickets and the selling of concessions. They also worked at school dances throughout the year. When basketball season came the Lance and Pennon again offered its services.

In April this group held its one social event. They went on a field trip which included a cruise of San Diego Harbor followed by dinner at a restaurant in San Diego.

# GIRLS' ATHLETIC ASSOCIATION

Lacking gym facilities and equipment, the organizers of the GAA got off to a late start this year. They elected officers in February and soon after began their activities.

The three groups that were formed were basketball, softball, and tennis. The members of each division met after school to improve their skill and develop good sportsmanship.

A playday was held in April for all members. Other activities included a banquet and a swimming party.

Girls' League began the year with the election of class representatives and an assembly.

Officers and members joined together in a campaign for Toys for Tots in December. Free bids to the Girls' League Formal were given to the members of the advisory who gathered the most toys.

A scholarship was presented to the most worthy senior girl by the League. The Father-Daughter Banquet and the Girls' League Formal were highlights of the year's social activities.

A revolving carrousel in the center of the floor set off the theme of "Starlight Carrousel" for the Girls' League Formal. It was the first dance in our gymnasium and proved to be a lovely affair with the softly lighted decorations and music by the school dance band.

# H H S MARCHING BAND

Mr. William Padelford  
Advisor

Chula Vista's Fiesta de La Luna Parade began the new school year for Hilltop's marching band. They received the Host Band award for participating in and leading the parade off to an excellent start.

With their kelly green uniforms and sparkling instruments, the band proudly represented the school at home games during half-times.

Aside from their usual fine work at the games, they took fifth place in "C" division in the All Western Band Review at Long Beach.

The Band Clinic, Festival Concert, and Formal Concert held at Hilltop High School set the pace for the future.

The prosperous year ended with the solemn note of graduation.

### DANCE BAND

Our year was filled with numerous events which offered opportunity for the members of our dance band to show their talents. Acting as business manager, Bill Sumner guided the newly organized group through many interesting jobs such as the coronation dance, Girls' League Formal, and the Cadet Military Ball. Proceeds from each dance were used for new music and stands.

Each of our home football games was made more lively with the music of our marching band at half-times and during the games.

### PEP BAND

The Pep Band played at home and away basketball games, at noon pep rallies, and pep assemblies.

Half-times at each home basketball game found the Pep Band accompanying a variety of performers.

Mr. Joseph Wagner, Jr.  
Director

## VOCAL AND INSTRUMENTAL MUSIC

Strains of music floated from the bandroom as Hilltop High's orchestra practiced for the different events in which it participated. The first was their Christmas concert along with the Ensemble and Choir.

Under the able guidance of Mr. Joseph Wagner, the group presented a Festival Concert at Hilltop High on the evening of March 10. Soloists were given superior ratings at the San Diego District Music Festival also played for this occasion.

In May the members again participated in a school concert and were in the District Choir and Orchestra concert.

Bringing the year to a close for both members and all Hilltop seniors, they played at Vespers.

## LANCERETTES

Kelly green corduroy and silver sequins accented the Lancerettes throughout the 1960 year.

Their first performance was at the District Football Carnival at Chula Vista. The girls, under the leadership of Miss Peterson, displayed their talent again when they marched in the Fiesta de la Luna Parade.

The football season was highlighted by the sparkling Lancerettes when they danced the "Can Can." Halftime of the Chula Vista-Hilltop basketball game featured our lovely Lancerettes in a modified version of the rage of the twenties—the "Charleston."

Their last performance of the year was at the Maytime Band Review. This brought to a close a very successful year for these girls.

Our sparkling Lancerettes are shown here forming an H during one of our football half-times.

### LIEUTENANTS

Miss Beverly Peterson  
Advisor

As David Martinez grabs for Gary Longbottom's sweater, the two roll over and cheer the team on.

As the band stood at attention, the five girls who marched with our band as majorettes prepared to lead off the half-time.

## MAJORETTES

These five girls started Lancer tradition off right with a first place win in the Long Beach All-Western Band Review. They won over majorette groups from fifty Southern California schools. Each member of the group proudly wears her medal in the accompanying picture.

Serving to liven our pep assemblies, football and basketball half-times, and accompany the marching band this year were Dyanne Schrock, Barbara Maxwell, Sue Herney, captain, Nancy Harper, and Connie Prince.

## FLAG CORPS

Our flag corps this past year consisted of six high-stepping girls from the junior and senior classes. They were, from left: Beverly Mahoney, Mary Alexander, Vicki Davis, Kathy Kimball, Joan Bannister, and Jeanie Quiros, Captain, center front.

These girls accompanied our band at many unique football half-times, in parades, and at our lively pep assemblies.

## J.V. SONGLEADERS

Helping lead cheers and adding zest to our Pep Band songs this year at the Jayvee games were Sandra Novell and Barbara Eshbach.

"Boom! Bah! Lancers! Rah! Hey!" Among other things, Dave, Kay and Gary were faced with the task of creating new cheers for our games. They did a great job of building spirit at our pep assemblies, our many unsuccessful football games, and our very eventful basketball games.

To them, we feel, should go much of the credit for the building of our fine team support at each game this past year.

#### VARSITY CHEERLEADERS

Five green-clad, lively ladies could be seen adding enjoyment to each game of this our first year in the Metro league. Janis and her group worked fourth period of almost every day to perfect new routines for the basketball games.

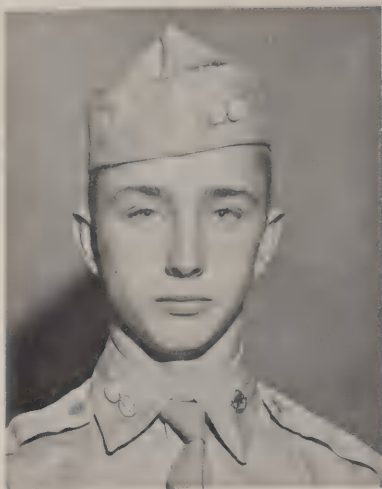

These girls also participated in our football games and pep assemblies.

#### J. V. CHEERLEADERS

Two short and energetic girls were our J. V. cheerleaders this year. Rosalyn McBride and Susan Davies did a fine job of leading cheers for our junior varsity games.

Robert Silburn

Participating in Rifle Team activities this year were, front row: Robert Silburn, Phil Payne, Don Newman, and Randy McCoy. Back

#### ADMINISTRATIVE STAFF

## CADET

The Cadet Corps has participated in many different activities. Among some of the more outstanding things were the military leadership school held annually at Camp Cuyamaca. During a period of three days, hundreds of Cadets received valuable military training in many fields.

Another of the activities in the cadet program is the Camp Pendleton field trip. During the trip the Marine Corps showed

the cadets the effect of an amphibious attack on an enemy beachhead. While there, the cadets were treated to a regular Marine mess. Other activities included the DeWar rifle match, the N.R.A. rifle marksmanship training, the fancy drill P.T.L., the color guard, and many others. This year our cadet training and activity program has been very beneficial.

## PEP CLUB

DECORATIONS

Larry Davis, Regent of Pep, and Mr. Mark Fleming, advisor, are shown here discussing plans for one of our fine basketball games.

Team support is an important part of every school sports program. Our Pep Club, under the leadership of the Regent of Pep, undertook such jobs as the printing of posters and banners for building pre-game enthusiasm and the making of stick pom-poms and pickets for the pep section at games.

Bleachers at football games were decorated by this group. Our huge tri-colored LANCERS banner was made by several of the members.

Pep assemblies were made more interesting by the production of several skits during basketball and football season.

ASSEMBLIES

PUBLICITY

## Spanish Club

Spanish language and culture were presented at the monthly meetings of the Spanish Club through its many interesting guest speakers.

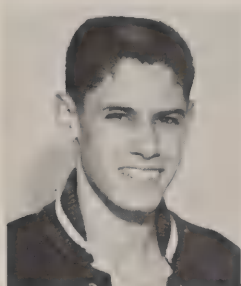

At Christmas the club sponsored a drive to aid a needy Mexican family. The Christmas party provided the entertainment for the year.

Joe Filson  
President

## French Club

Les Parisiens have had a program of varied activities throughout the school year. A French Banquet featuring all French cuisine was one of the highlights of the club's activities. Numerous food sales proved very successful. A pool party was also held.

Gary Theemling  
President

## Latin Club

A Latin Banquet was held the thirteenth of May. The theme was "Ars Magica" and it proved to be a fine affair with chariot races, slaves and other events.

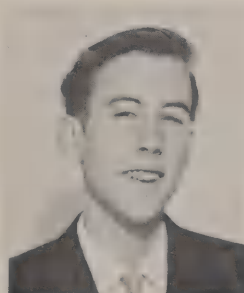

The club met every Monday. A donut sale was held to help finance the banquet.

Marsha McIntosh  
President

## Chess Club

The activities of the Chess Club this year were limited by the number of members participating. However, they did initiate a school chess tournament, five of the winners of which competed in an interscholastic tournament with other schools of the district. The idea of a district chess club, originated by James Black, was also under consideration.

James Black  
President

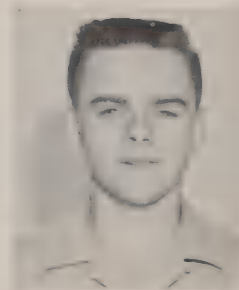

## Erudites

Members of the Erudites met to discuss many things of interest, such as moral, ethical, and social problems. Aside from these topics they delved into the realm of world affairs—past, present, and future.

Their activities included a trip to Patton State Mental Hospital and the viewing of "The Tempest," a Shakespearian play.

Dow Rice  
President

## Science Club

Field trips, films, and group projects filled the calendar for the Science Club. Their expedition to Mexico attracted many interested future scientists. Mr. Lisle provided guest speakers from the San Diego industries. All activities helped make the year very successful.

Charles Sherburne  
President

## Future Nurses' Club

Highlight of the Future Nurses' Club activities this year was the Red Cross Home Nursing Course and volunteer work in Chula Vista Hospital.

Other activities included the Health Careers Conference and programs on Navy nursing, psychology. A fashion program was held in February and Hilltop's club members played host to the other district clubs.

Eleanor Hedenkamp  
President

## Future Teachers' Club

The Future Teachers' Club has helped prospective future teachers become oriented to the teaching profession.

Many activities—field trips to elementary as well as secondary schools; lectures by prominent local and state educators; examination of writings of authorities in various educational fields; state conferences; guest speakers; applicable films and slide strips—served to help clarify the many and various functions of the professional educator.

The social calendar included joint club meetings, an ice skating party, various picnics, induction ceremonies, and a swimming party.

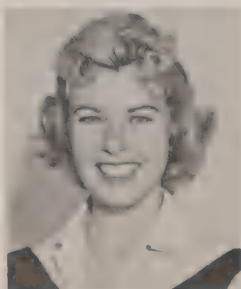

Connie Schule  
President

## Jr. Red Cross

Our Junior Red Cross has been busy every season of the year helping make people happy. Wrapping gifts at Christmas and sending Valentines to hospitals were two worthwhile projects performed by this group.

The International Music Program was also adopted by Hilltop's JRC. Everyone in the club was pleased with the effort of the entire school in making this a successful year.

Jan Newman  
President

## Key Club

The newly established Key Club of Hilltop High School set its scope for a full year's work.

Off to a late start, this service club sponsored a mistletoe sale and provided for a needy family at Christmas. The boys brought in 3000 toys for the Toys for Tots campaign. Their Charter Banquet was held on February 10. They were also co-sponsors in the Harlem Clown basketball game.

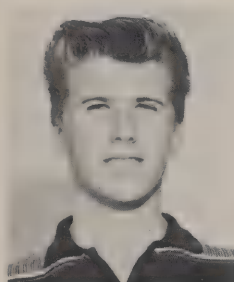

Bill Stegall  
President

## N. F. L.

The Hilltop High chapter of the National Forensic League received its charter by the end of the first semester. Its activities included participation in speech contests, Student Congresses, demonstration speeches and debates, and a Spring Banquet.

Throughout the year, club members received awards in debate, oratory, extemporaneous, and impromptu speaking.

Bill Jenson  
President

## QUILL & SCROLL

Sixteen Hilltop journalism students were granted membership in Quill and Scroll this first year. The annual Quill and Scroll Banquet, hosted by Mar Vista, was held in April at the Admiral Kidd Club in San Diego.

Two donut sales were held to raise funds for this affair which included all four district schools.

Alice Martin  
President

# SENIORS

## Senior Counselor

The first Senior Class of Hilltop High School was fortunate in having Mr. Livermore as its counselor. It was his guidance that we were able to accomplish the plans that we had made for Senior activities. In addition to his help with these activities, Mr. Livermore spent many hours with each Senior helping them to formulate their plans for the future.

One of Mr. Livermore's objectives this year was to become acquainted with each individual Senior.

If it hadn't been for Mr. Livermore's continual work with the class officers, many of the class activities would not have been brought about.

## Class Officers

Representing the first SENIOR CLASS of Hilltop High School, these officers have worked diligently all year to make the activities of the Class of '60 a huge success. Mike Powell, president, could be seen wielding the gavel at the SENIOR assemblies and the officers' meetings. Whizzing in and out of Mr. Livermore's office taking notes, writing letters, and distributing the SENIOR bulletins among the advisories was our busy secretary, Vicki Davis. One of the busiest girls at Hilltop High this year has been Joan Bartels, our treasurer. Collecting money for SENIOR dues and SENIOR sweaters were two of her most important and time consuming responsibilities. Taking over when the President was absent and being ex officio member of all SENIOR committee meetings were the duties of the Vice-President entrusted upon Larry Davis.

Now the year is over, and these officers have the satisfaction of having led the CLASS of '60 through a memorable year.

## C.S.F. LIFE

One of the highest academic awards received in high school is the Seal Bearer's Award. In order for a student to receive this, he must be a C.S.F. member four semesters, including one semester of his Senior year. The C.S.F. requirements are rigid, as they require five points of a total ten be in academic courses. In rewarding these students for their achievement, a gold seal is imprinted on their diplomas signifying their life-membership. Many scholarships are also made available to these students. We regret that at printing time, we were unable to give due recognition to those students who received this award the second semester.

# MEMBERS

Nine students represent the top scholars of the Class of '60. Because of the intense competition and closeness of points, it is only fair that equal recognition be given them all. Not only will these students be a great asset to their community, but they should also attain their lives' goals and ambitions. Being a small class, we were very fortunate in having the following honor students represent us: Alan Campbell, Palmer Chase, Colette Dieterle, Sue Herney, Jackie Lokey, Judy McGee, Bonnie Pedrotti, Carol Slaughter, and Diane Wilson.

# SENIOR MEMORIES

The names and faces of our classmates will fade from view. The teachers and classes will fade, too, but there is one thing we'll never forget. That is the memory of our Senior Year.

September brought a swirl of green, black, and white over the new campus as Seniors settled down to a year of study and fun, among the confusion of unfinished classrooms — Those hectic first days! All too quickly, Seniors were introduced to a bewildering world of civics projects, play reports, and long lectures.

We the class of '60" were pioneers as we worked hard in BUILDING the ever important Senior Class customs, traditions, and privileges.

Crowds, cheers, and cold autumn nights made the colorful Lancer football season. A lack of victories did not stop the Lancer spirit that brought Seniors to their feet as the Fight Song and Alma Mater were played. Colorful uniformed groups increased Lancer pride and the Football Pageant brought a fitting close to these activities.

A new gymnasium heralded the basketball season and a winning team. Seniors rejoiced as the Lancer Team captured first place in the Chino Tournament and second place honors in the Metro League, a record not previously held by any first year high school!

LATITUDE

Agonizing moments were spent as Seniors watched each blade of grass poke its head out of the Senior Lawn. Ditch day was eagerly awaited, while a Senior Skating Party, Variety Show, and the Junior-Senior Prom brought relaxation to a tired Senior Class.

The year came to a climax as the Senior Prom, at the Lafayette Hotel, the Senior Banquet and Vesper Services followed each other in quick succession. Caps and Gowns were donned on Graduation Day with some reluctance and some doubt, but with much anticipation, as the first graduating class of Hilltop High stepped over the threshold into adult life.

Echoing from the past, these Senior memories have BUILT a bond among members of the Class of 1960.

## BUDDAH BANDITS

A nickname given to Chuck Rankin, co-captain of the Lancer football team, inspired the formation of the "Buddah Bandits." During the season when these boys went on the field, they seemed to have that hidden spark that keeps a team going. Pictured on the left are: Chuck "Buddah" Rankin, Tom Badillo, Bernard Owen, co-captain, and Butch Lorson.

# HILLTOP VS

*Ric Bonnoront fights his way around the right end.*

*An unidentified Lancer plows his way through for a touchdown.*

*Grossman jumps to pull down a touchdown pass.*

*Dennis Grossman followed by Spartan players.*

# CHULA VISTA

Ric Bonnoront bulldozed his way through for both Lancer touchdowns and was largely responsible for Hilltop's 121-yard gain in the second half. Tom Badillo, along with Butch Lorson, Steve Burgi, Bernard Owen, and Steve Parmer anchored a stout Lancer line but the final whistle found Hilltop on the bottom side of a 31-12 score.

Ric Bonnoront charges ahead as two Spartan players move in for a tackle.

# CARNIVAL

The Hilltop Lancers started a promising season against the Mar Vista Mariners in the Metro League Carnival. They moved the ball well as shown by Merrell Davis and Ric Bonnoront in the pictures on the left, but lost out when they fumbled. The score at the finish was SUHS-MVHS 21; CVHS-HHS 20.

## MT. MIGUEL

The first touchdown was set off by a 32-yard pass to Simmons which moved the ball to the Lancer five. The next two plays netted us our first score. In the fourth quarter a pass from Neal to Maxwell set up a play resulting in the second touchdown for the Lancers. However, Mt. Miguel won the game with a 20-13 score.

## EL CAPITAN

Hilltop went into one of the closest games played by the Lancer squad, with Steve Burgi and Chuck Rankin out with injuries. Nevertheless, the combined efforts of Bonnoront, Neal and Maxwell netted 12 points despite the fog. We went down fighting with a 14-12 score.

Something more interesting than the game, Mr. Green?

## GROSSMONT

Another well-fought game by the Lancers only ended up as their fifth league loss. We had a 6-0 lead at the half, but the Foothillers held us back as shown in the photos on the right. Neal and Bonnoront made the touchdowns and Owen kicked the conversion.

# SWEETWATER

A game to be long remembered. The night Kay Cotner was crowned Football Queen, was the night the Bandits held the second-place Red Devils to six points. This proved the Hilltop Lancers could fight and fight well, and that they did more than what was expected of them as a first-year football team.

# BASKETBALL

Fight, Team, Fight!! These words were frequently heard by our basketball team as the crowd cheered them on during their maiden voyage to an undisputed second place finish and a berth in the S.C.I.F. play-offs. These ratings couldn't have been given to a more deserving team, as this year's roundballers were consistently faced with taller and more experienced opponents.

The team initiated our trophy case as they brought home the Chino Tournament Crown. The highlight of this tournament was our 66-24 win over Mar Vista, who had beaten us twice previously. The week previous to the Chino Tournament, the Lancer Quintet made its debut in San Diego County, taking fourth place in the consolation championship of the Kiwanis Tournament.

In Metro competition we were always dubbed as "the team to watch." As the first round came to a close, we were co-champions of the league. However, our loss to Helix placed us in second place. In recollection of this round, the most outstanding game by far was the stomping of our "cross town" rivals.

As the second round got under way, "Beat Hilltop" was the motto of the other schools. But we held them off. A most exciting game this round was with Escondido. Our win over the Cougars was even more welcome, because they had beaten us in the first round. Our grand finale in the Metro League was our victory over El Cajon. This was a very important match as it was the deciding factor of whether we were to be the sole possessors of second place in the league.

We met Hoover in the play-offs, giving a very fine showing against a 24-0 team who was seeded to go to the S.C.I.F. finals.

# HILLTOP

VS.

# CHULA VISTA

*Charlie jumps for two more points.*

*Roby fights to get the ball  
in a toss-up.*

Win Team! Again these words were heard echoing through the halls of Hilltop High. Beat Chula Vista, was the battle cry of the Lancer five, and Victory was ours, in the first cross-town basketball game. The score being 58-48. The second game found the Lancers on the losing side but the Lancer spirit lingered on to carry the team to second place in Metro League Standing.

*Get that ball,

## JV TEAM

This year Coach Saxton's J.V. Team, with the exception of a few losses, showed great promise. The boys worked hard and with a little more perseverance we may have a great team next year.

Back row, left to right: Paul Warkentin, Gus Lyons, Mike Spurgeon. Middle row: Coach Saxton, Bobby Smull, Dick Blakely, Andy Campbell, Jack Sherfy, Bill Hess, Mgr. Front row: Mike Fritch, Robert Whitely, Jack Kent, Tony Maio, Pete Moore, Dennis Biletnikoff, Chuck Morrow.

Back row, left to right: Robin Larson, Dennis Fisher, Kyle Gorman, Danny Sawyer, Lonnie Lee, Nick Millican, Craig Higgs, Brian Webber, Mgr. Middle row: Coach Long, Gary Feraldo, Ronnie Hawkins, Bob Proctor, Denny Wood, Dennis Heine. Front row: Dane Wagner, Raymond Jindra, James Woods, Ken Mahoney, Vaughn Benson.

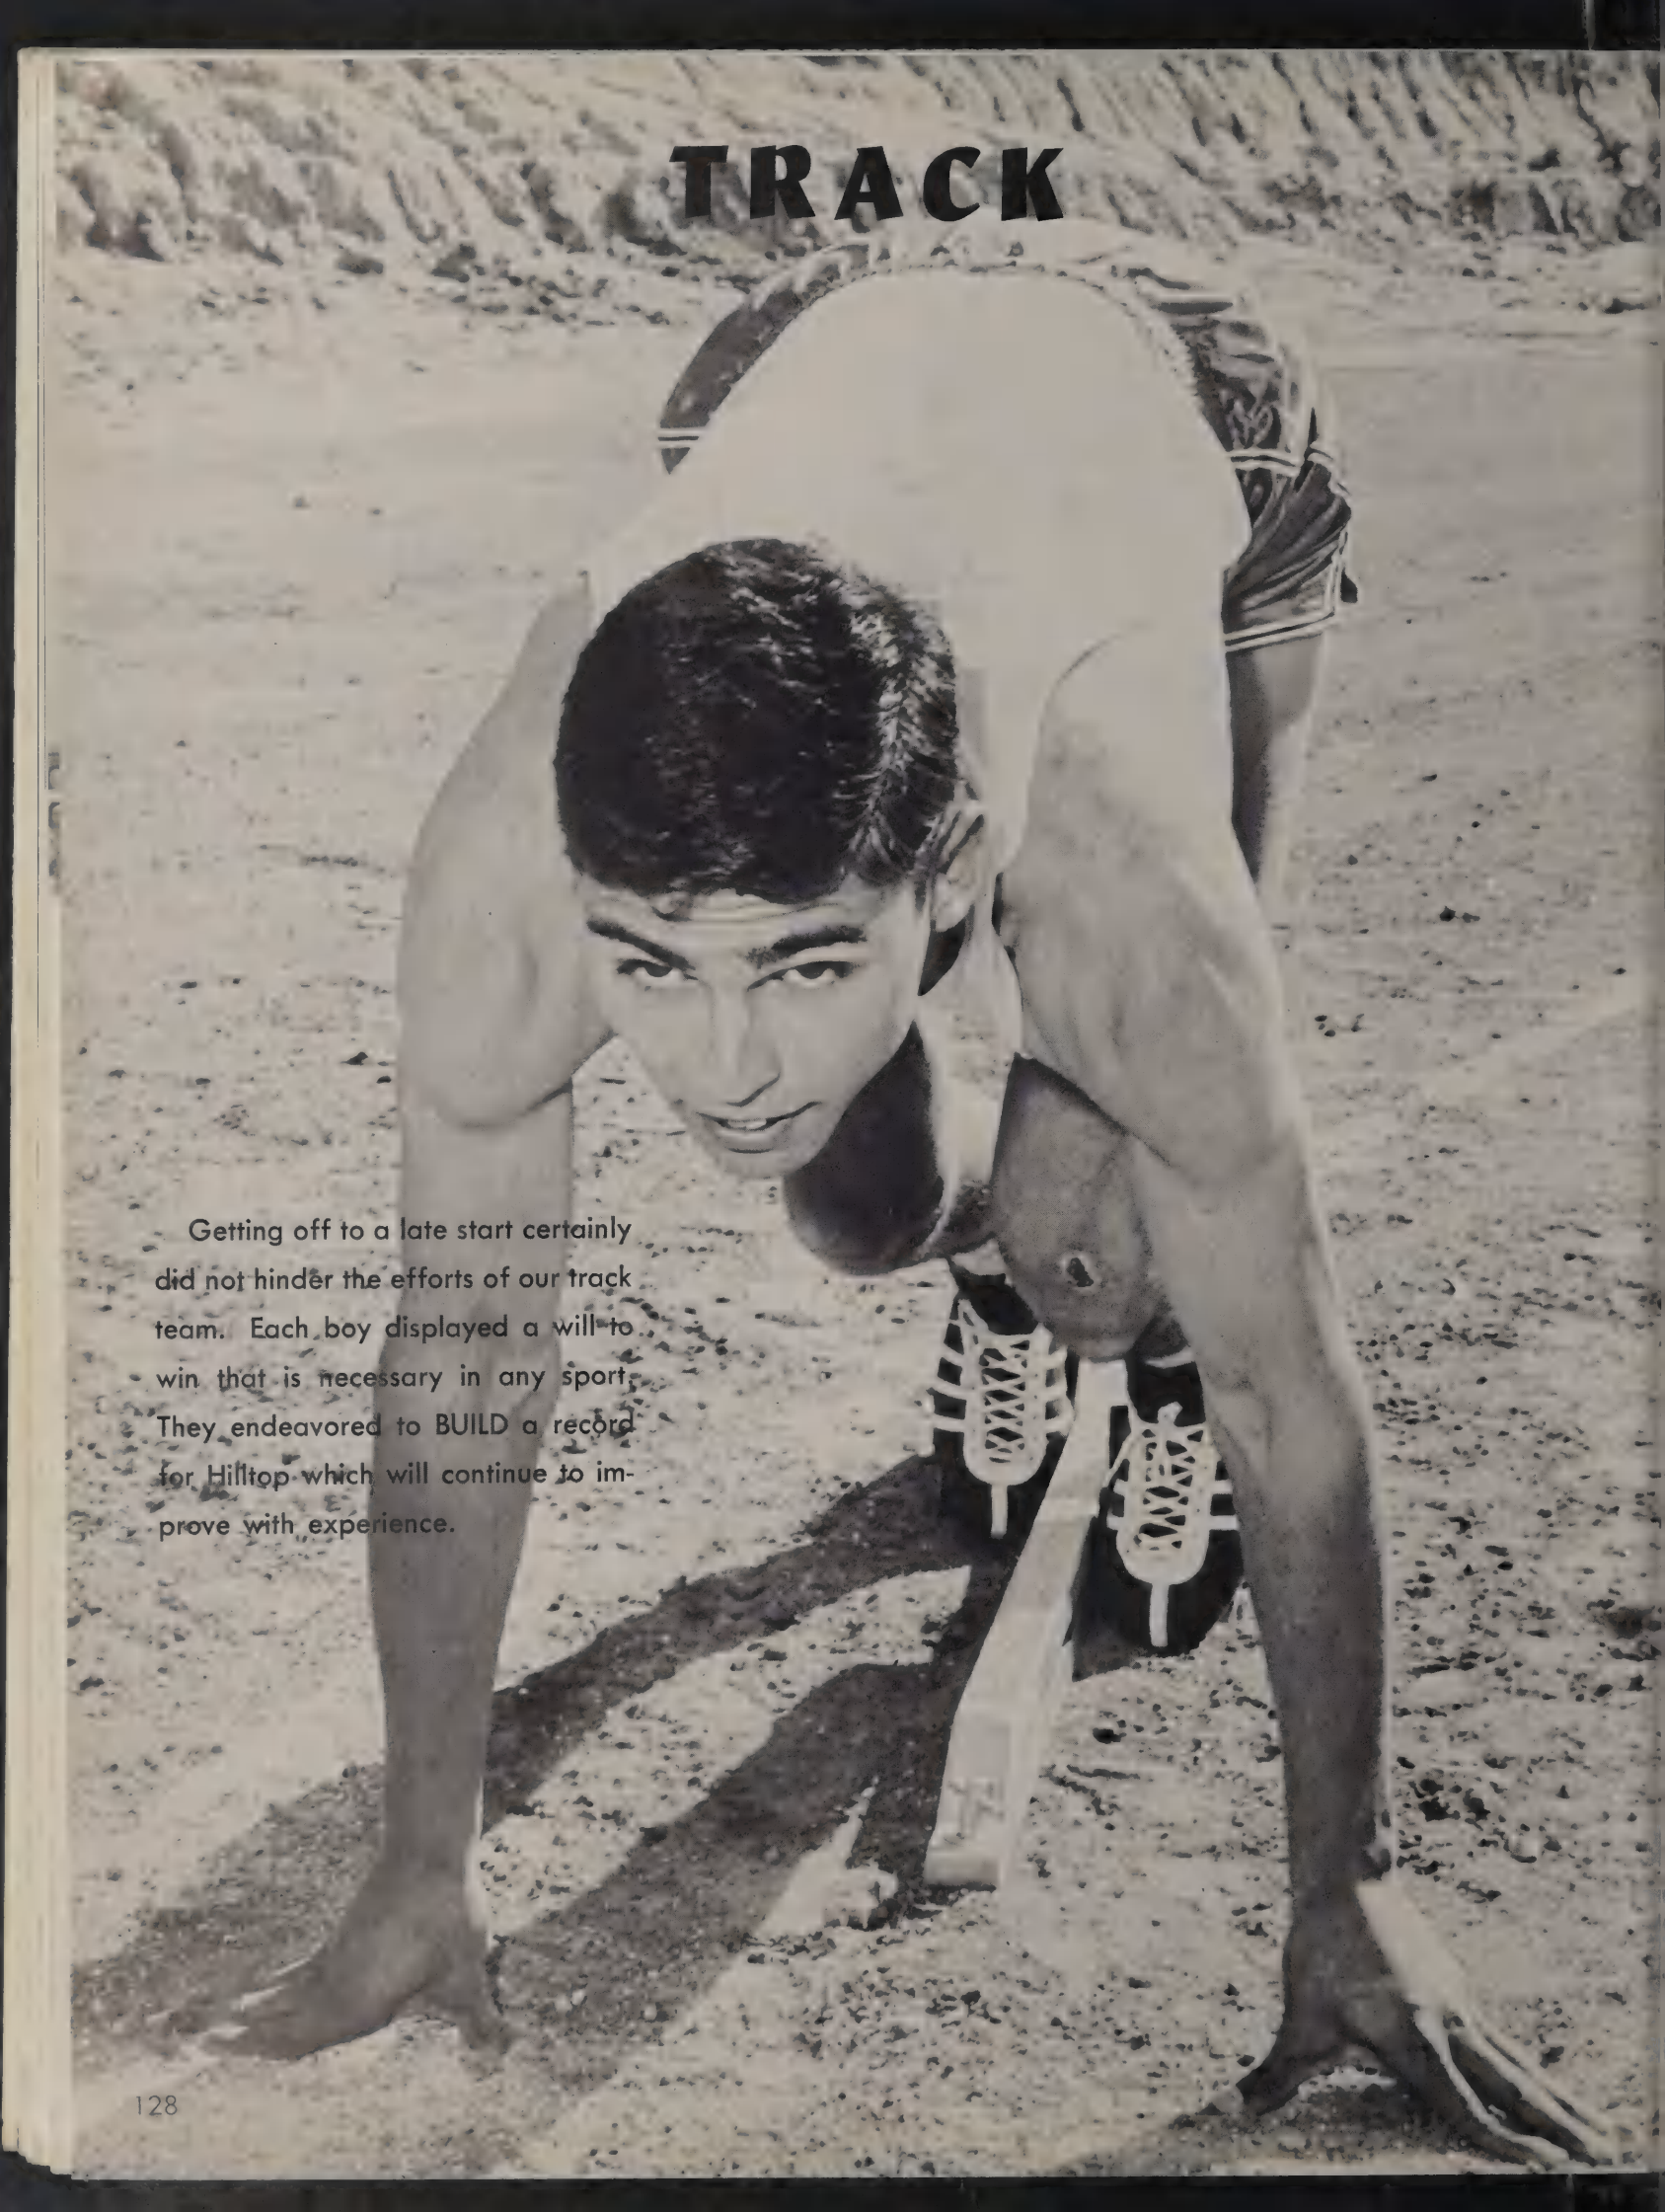

## SOPH TEAM

This year our ambitious sophomore team did an excellent job of winning second place. The future of these players is very promising and under the guidance of Coach Long they will go a long way.

# TRACK

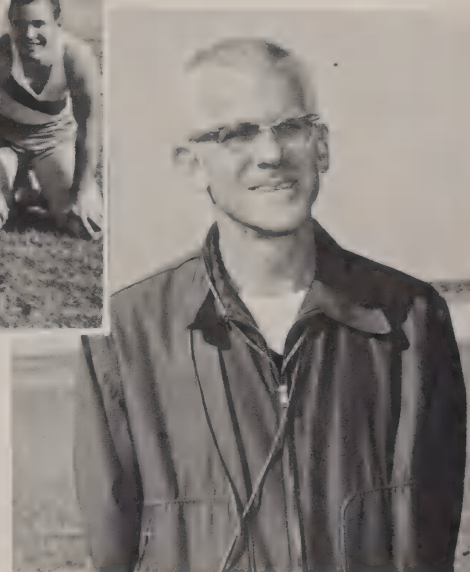

Getting off to a late start certainly did not hinder the efforts of our track team. Each boy displayed a will to win that is necessary in any sport. They endeavored to BUILD a record for Hilltop which will continue to improve with experience.

Bottom row: Guy Muraoka, Steve Hill, Ron Marasco, Stuart Smith, Sam Smith, Bill Woods, George Marston. Not pictured: Alan Campbell.

Although the victories were few and far between, the Lancer thinclads did exceptionally well for a first-year high school. Due to the late start and inexperienced runners, the Cross Country team didn't do too well in the dual meets, but showed a definite increase in ability and stamina in the metro preliminaries by taking some of the top places.

# BASEBALL

The Lancer nine swings into action and another victory.

The baseball season started with two non-league games. Scores: State College Frosh 10—Hilltop 1, Hilltop 7—Mar Vista 6.

As the season progressed, so did our team, and all turned out to cheer them on. Though we can't tell the final outcomes of this, our first season, we know the Lancer nine did their best and that is all we can ask.

## GOLF

At the time the annual was put to press, results of the 1960 Golf Team were not on hand. However, the season was very promising with seven returning lettermen. In the last four years they have had 60 undefeated matches. They were CIF winners the last three years and runners-up the first year. This year they have played two matches, beating Hoover and top-seated Point Loma. Mr. Green, Coach, had high hopes for the team, led by Alan Campbell, Augie Silveyra and Jim Rheim.

# WRESTLING

Back row, from left to right: Larry Thorton, manager, Wynne Gregg, Eddie Kellogg, Ralph Farrell, Bill Woods, Mike Rodgers, Ray Kincannon, Phil Groves, Duane Short, Mike Burke, John Dibble, John Gardner, and Coach Myers. Middle row: Steve Hill, Phil Hazard, Mel Viera, Bob Hargrove, Richard Couron, Doug Cox, Bill Holloway, George Ronis. Bottom row: Ernie Berry, Guy Muraoka, Bill Hobson, David Martinez, Edwardo Perez, Ken Slamon, Dick Dewitt, Harold Schauer, Tom Badillo, Merrell Davis, Bob Reynolds.

Out of the 12 varsity wrestlers who went to S.C.I.F. quarter-finals, seven remained to go to the semi-finals. These seven were: Charles Cassani, Bill Hobson, Dick Dewitt, Harold Schauer, Tom Badillo, Merrell Davis, and Steve Simmons. Of these, one wrestler shone above all, and wrestled his way to the finals. He was our two-year letterman, Merrell Davis. Unfortunately for Hilltop, Merrell will not return next year. Returning lettermen will be Tom Badillo and Charlie Cassani.

# INTRAMURAL

# JUNIOR COUNSELOR

Mr. John Green

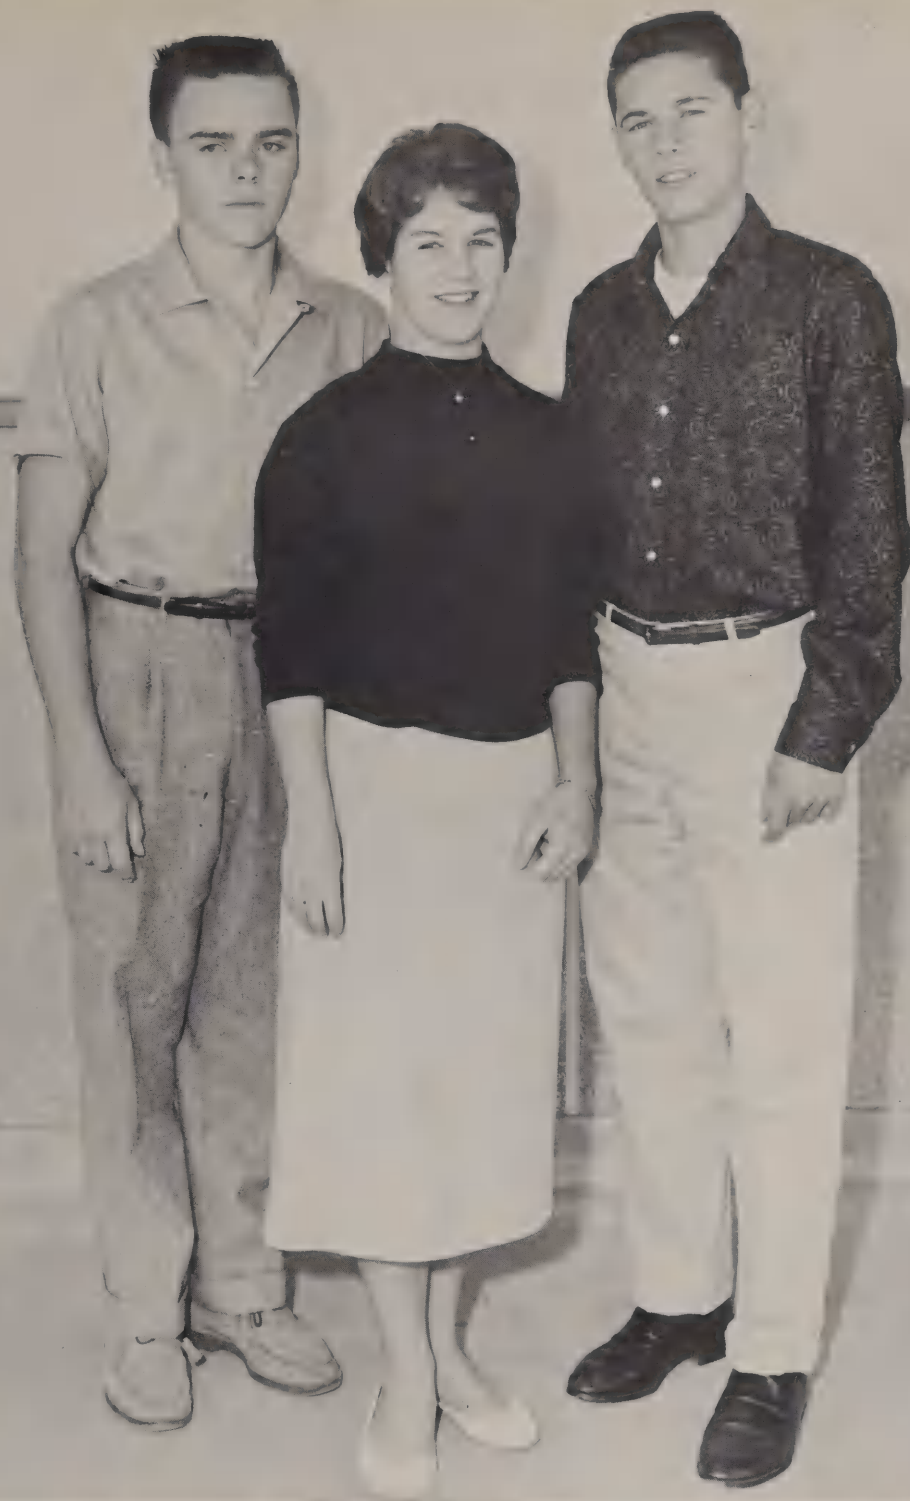

*A new Junior Class deserves a new counselor, and they got one. Yes, this is Mr. Green's first year of counseling, but you would never know it. The Junior achievement scores have proven to all that the Junior Class and counselor work together like old hands at the job.*

Following election of officers, the first Junior Class of Hilltop High began operations by organizing a smooth running form of student government.

The initial task of this newly formed organization was to select a Senior Ring Committee to review samples of rings sent by various companies. The samples were displayed and the field narrowed down until one ring was selected by popular vote of the Junior Class.

In January, the Junior Class Council was elected which consisted of the class officers and one representative from each advisory. The Council began working on preparations for the Junior-Senior Prom. Several committees were set up to arrange for bids, decorations, refreshments, and other items needed to produce a successful prom. The date for the event was set at April 8.

At time of publication, junior dues were being discussed which would permit further class activities.

Jerry

Anyone reading your annual would probably think I've written in it too much but this is the only time I've had time enough to really say anything. Whenever we are together we seem to always have fun and we always get along together about as well as anybody ever could. Most friendships have many ups and downs but we have never had any downs that I can remember (after the 6th grade). It's a good thing we live close to each other, I'm sure we'll really have a blast this summer. In our Black Camp (I said that before but...). If you ever get your license. Seriously though I am sure you are aware that we are about as good as friends as any two guys could be. I really do hope we will stay buddies for years & years to come because we always have fun together and we have really a lot in common. Our friendship will be perfect if we can ever have perfect confidence and believe everything each other says! Well dad I'm about out of space so... your one of my very best friends,  
your friend always

## SOPHOMORE COUNSELOR

*Mr. William Padelford*

*This being his first year at high school counseling, we asked him what he thought of his job. All he replied was "I'm proud and happy to be associated with the class of '62, my class."*

The biggest challenge this year has been in organizing and bringing forth all effort to establish Hilltop High School as the great school it is meant to be.

Hilltop's clubs, service groups, and Student Body government form the school's organizations. Sophomores, themselves prominent members of the first complete graduating class, have proven themselves prominent members by helping to do good and to make a tradition for the future classes to strive for and remember.

Helping in the organization of useful clubs such as Speech, Language, and other social groups are just a few of the many things the class of '62 has participated in since the beginning of this school year. They, along with the Junior and Senior classes, have all pulled together to make Hilltop High School well known and respected in Southern California.

The class of '62 has proved to be a big part of the great tradition at Hilltop High School.

cerned teachers and administrators.

Though at times the going was not easy, the staff continued to jump the hurdles that confront any publication. We express our sincerest thanks to all those who made this publication possible as we bid you farewell now.

Dear Jerry,  
I really don't start  
know how to start  
this out, but I do  
know that it has been  
(and I hope it will continue  
to be) fun going with you. I  
remember our first date when we  
went on the hayride. I really wasn't  
to ask you and I did. I had so much fun and  
I'm sure glad you would. I remember when you  
asked me to go steady let me. But, we got over that Mother  
and Dad wouldn't let me. We haven't had any real  
all right and I was really happy. We haven't had any real  
arguments yet and hope it continues that way as long as we go  
together. I have been pretty much dating with you and I hope I never  
have a reason to be. I don't like to be mad at you and I hope I never  
many girlfriends. Now, I've really loved double-dating with you and his  
and settle down like us. I guess his going to stop playing the field  
for the past three dates, either. In fact it's been a blast.  
Since you're the first boy I've gone steady with it  
makes you kind of special. I've gone steady with it  
me anyway. I guess I better close now.  
This has sort of been like a letter.  
Please always stay as sweet as  
you are. You're wonderful,  
darling!  
All my love,  
Sergene  
xoxo

Jerry  
Well: ok?  
I'm having a little trouble  
thinking of things to say. We have  
done alot together like —? We did have  
fun doing —? Oh, well we did play  
tennis in gym and work with your  
type recorder, (remember the telephone calls  
about the closios and other things)  
Seriously, its been fun knowing you and  
I wish you the best of luck. I loved.

Jerry -  
Arent you sorry you  
cant take French next  
year? Well thats the  
breaks. Good luck in  
your senior year and  
dont let the slaps get  
you down.

Jerry  
Best of luck  
in the years to  
come. P.S. I am a real  
Jarf fan.

Best of luck  
to you and your family  
in all the years to come.

Jerry,  
Best of luck  
to you always.  
It has really  
been nice knowing  
you this year.  
always,

POOP

Herry,

It's been a riot listening to your  
"yeah, uh-huh, and of course, and  
oh don't forget uh..." etc. Well any-  
way it has been a riot. It sure  
was a wonderful thing for you  
and Sersene getting to know  
each other. Watch that stuff!

Good luck in  
the years to come! Love,  
I have enjoyed  
knowing you and your  
some real animals!

To Jerry, the life  
of our French class. It's  
been great knowing your personality  
you have more - ah, personality  
than anyone I've known  
in a long long time.  
Best of luck in all  
years to come.  
Sandra Humble

To Jerry,  
It's been fun getting to know you  
through two girls I know of, and  
I'll like to know you next year,
